Experience

Frontend Developer Intern | EnoverLab, Lagos, Nigeria (Remote)
June 2023 – August 2023

- Developed a user-friendly and responsive website to assist pregnant women and nursing mothers in accessing vital information and resources.
- Utilized React.JS to integrate Google Maps API, enabling users to easily locate the nearest gynecologists and healthcare facilities in their vicinity.
- Collaborated closely with the design team to create a visually appealing and intuitive website layout that resonated with the target audience.

Projects

E-commerce website, MERN Stack

Developed an e-commerce website for hotel supplies with MongoDB, Node.JS and React.JS. Implemented a feature that turns a user(hotel) cart to a downloadable quotation in pdf format upon checkout.
